

Appendix K

List of Materials Included in the Current Meta-Analyses

* Denotes materials included in previous personality-cognitive ability meta-analyses. We excluded some materials included in previous meta-analyses because they did not meet our inclusion criteria (e.g., samples younger than 12 years old).

16PF Questionnaire Dutch version of the 16PF Fifth Edition. (2011). Institute for Personality and Ability Testing.

16PF Questionnaire European English version of the 16 PF Fifth Edition. (2011). Institute for Personality and Ability Testing.

16PF Questionnaire French version of the 16PF Fifth Edition. (2010). Institute for Personality and Ability Testing.

16PF Questionnaire French version of the 16PF Fifth Edition. (2011). Institute for Personality and Ability Testing.
